

# Carmel Book Week '23

To promote good reading habits in students, the annual Book Week was organized in Carmel Convent School from 17<sup>th</sup> April to 21<sup>st</sup> April, 2023.

The week commenced in high spirits with an informative and inspirational morning assembly to acquaint students with world-renowned authors and their famous works like that of Jane Austen's 'Emma', Roald Dahl's 'Charlie and the Chocolate Factory, J.K. Rowling's 'The Harry Potter' series and many more!

The inauguration ceremony opened the doors to a world of reading supported by the publishing house "Eureka". The book fair encouraged pupils to foster a new spark for reading and inculcate this meaningful habit into their daily lives.

Students were able to indulge in the vast variety of genres of books available and further develop their interest in reading which forms the edifice for success in every student's life. From time-bending sci-fi thrillers, to beloved classics, literary-fiction to bone-chilling mysteries, the week provided an array of books and was a treat for all budding bibliophiles.
