

CARMEL CONVENT SCHOOL, NEW DELHI

A Trip to the Parliament

“That's not an Assembly where there are no alderman,
Those are not elders, who do not speak with righteousness,
That's no righteousness where there is no truth, That's not the truth which leads one to deceit.”

This inscription greets the public as they enter through the doors of the Parliament laying emphasis on the cardinal virtues of righteousness and truth further strengthening the edifice and the values it was built upon.

With the hopes of inculcating these principles in their daily lives, the students of Class 12, Carmel Convent School, New Delhi paid a visit to the Parliament on 11th August 2023 to observe the Lok Sabha assembly on the last day of the Monsoon Session.

With the completion of the formalities, the students and accompanying teachers entered the parliament complex through the parliament's museum gate with great fervor and enthusiasm. The Lok Sabha secretariat patiently guided and explained the notable aspects of the practice and procedure of parliamentary institutions. They were able to observe and correlate their classroom learning to the whole trip. Excitement soared high as the students engaged in intellectual discourse regarding the proceedings of the Assembly and witnessed nation leaders engage in debate, a testament to India's historic democratic spirit.

The trip proved to be insightful, providing hands-on learning to the future leaders of our country.
