

Story Telling Session for Classes III, IV, V

30th April '24

A storytelling session was organised for students of classes III, IV and V by Ms. Neeta Joshi, a performance story teller. She depicted the story of the much-loved character Geronimo Stilton. Ms Joshi's presentation with voice modulation, mimicry and expression very vividly brought out the characters of the book 'Happy Birthday Geronimo'. The presence of Geronimo, dressed in his birthday attire thrilled the students and they sang the "Happy Birthday" song with great enthusiasm.
