

## Talk on Cervical Cancer 30th August 2024

On 30th August 2024, an interactive session on cervical cancer awareness was conducted for the students of classes 9 to 11, focusing on the importance of its early detection and prevention. Dr. Vani Wasir, a senior pediatrician, provided insightful information on the disease, highlighting key risk factors and preventive measures. Sourabh Sinha, the Marketing Head at Sadhu Vaswani Mission Medical Centre, discussed ongoing initiatives aimed at increasing awareness. The session was well-received, with students and staff gaining valuable knowledge on safeguarding against cervical cancer.
