

CARMEL CONVENT SCHOOL

presents

Iridescence '24

Iridescence 2024-2025, the annual cultural fest hosted by Carmel Convent School, New Delhi, provides the students of various schools to gather on the grounds of Carmel to showcase their exquisite talents and artistic pedigree in the eminent fields of dance, music, acting, debate, discussion, and much more!

The Events promise the students a week filled with learning and an enriching experience.

In addition to honing their skills through curated competitions, the students learn the values of teamwork, fraternity, and togetherness. The participants prepared ardently to excel in events such as English Debate, Meraki, Symphony, Melange, Visionnaire, Nukkad Natak, The Impressionist, Shutterbug, and many more! Each competition was judged by a panel of eminent judges who made a fair decision regarding the winners, who were felicitated with certificates and trophies.

In addition to Book Discussion, Debate, Slam Poetry, and Science Spontania, students participated in 'Capture the Market', a unique event for aspiring entrepreneurs to confront and react to practical issues while establishing an entrepreneurial venture.

From the evident unpredictability of the weather conditions ranging from the scorching heat to the heavy downpour, this cultural week was a culmination of the combined efforts of the students, teachers, and staff members. Iridescence 2024-2025 would not have been possible without the consistent effort of all these individuals!!!
