

COMMUNITY SERVICE

CLASS XII

On August 31st, 2024, the students of class XII A,B,C took part in community service as a part of the school's outreach program.

CLASS XII A

accompanied by their class teacher Ms. Aishwarya Babu and Sir Wilson, visited Shanti Niketan Ashram, a destitute-cum-old age home located in Asola Village. Prior to the visit, students of the class had spent about a week collecting and packing food rations, steel utensils and toiletries in cardboard boxes. The articles so gathered were then handed over at the site. Students not only interacted one on one with the residents, but also tried to spread some good cheer by singing a medley of happy songs. The visit to this charitable organization helped the students of the school learn a much-needed lesson in empathy, social responsibility, resilience and gratitude.

CLASS XII B

visited Nirmal Jyoti Convent, Vasant Kunj, as part of a community service initiative. The visit aimed to connect with the specially-abled girls residing there, understand their lives, and make a positive impact. The student and the residents engaged warmly, communicating through hand holding and sign language. The day was filled with joy as both groups showcased their dancing skills to popular Bollywood tunes, creating a bond through shared happiness. This initiative strengthened our commitment to social responsibility and the impact of simple acts of kindness.

CLASS XII C

visited Deepti Ashram, a care home dedicated to providing shelter and opportunities for girls from various parts of India who have faced severe challenges, including malnutrition and lack of opportunities due to extreme poverty. The visit was marked by meaningful interactions between the students and the residents, allowing them to connect deeply with the experiences and aspirations of these young girls.

.....
The visit also featured several entertaining and enriching performances by students from both institutions, highlighting the spirit of camaraderie and shared joy. The students also contributed in a small but significant way by donating essentials, reinforcing the importance of giving back to society
